

What is Liberty Secure STM?

Just because you don't have health insurance right now doesn't mean you may not have health problems. Secure STM allows you and your family to purchase quality, affordable major medical coverage on a temporary basis. Coverage is provided for physician services, surgery, outpatient and inpatient care.

How are benefits covered?

Secure STM pays benefits for each covered person in the following manner:

First, you meet your deductible. Choose from four options: \$250, \$500, \$1,000 or \$2,500

Then Secure STM pays 80% or 50% of the next \$5,000 of covered expenses

After this, Secure STM pays 100% of covered expenses up to your lifetime maximum of \$2 million

What is a Family Deductible?

With a family deductible benefit your insured family is only required to satisfy a maximum of three (3) deductibles during the coverage period.

Who qualifies for Secure STM?

Secure STM is offered to members and their spouses under age 65 and their dependent children under age 19 (or under age 25 if a full-time student) who can answer "no" to the health questions on the application. Children age 19 and over should apply separately. Child-only coverage is available for ages 2 through 18 (see the Secure STM Rate Calculation instructions for details).

What is a Usual, Reasonable and Customary charge?

or supply given and the severity of the condition. In reaching a determination as to what amount should be considered as Usual, Reasonable and Customary for services and supplies; we may use and subscribe to a standard industry reference source that collects data and makes it available to its member companies.

What are my payment options?

Choose from two convenient payment options.

- You can pay for coverage in **Monthly** payments for up to **6 or 12 months at a time**.* We accept monthly payments by check, money order, credit card or automatic bank withdrawal. If you select the Monthly pay option, and your need for insurance ends before your coverage period ends, you can cancel at any time with prior written notification to our Policy Service Department.
- The **Single** payment option is ideal if you know the exact number of days coverage is needed because this option has a **special reduced rate** and you only pay for the coverage you need in one **Single** payment. You can pay in full for any number of days, from a minimum of 30 days to a maximum of 180 days of coverage, by check, money order or credit card.

When does my coverage start?

Your coverage will begin as early as the day following the U.S. postmark stamp on your envelope. You can request a later effective date, but no more than 60 days after the application date. All coverage is subject to approval of your application and payment of the first premium.

How long will Secure STM coverage last?

HPA's Secure STM is specifically designed to fill temporary insurance needs and coverage stops at the end of the period applied for. Depending on the payment option you select, Secure STM offers coverage for one to six months or even 12 months.*

Can I continue coverage?

If your need for temporary health insurance continues, you may apply for another Secure STM plan. Your application is subject to eligibility, underwriting requirements and state availability of the coverage. The next coverage period is not continuous and any condition incurred during the last coverage period will be excluded as a pre-existing condition.

When does coverage terminate?

Coverage ends when the premium is not paid when due; or you enter full-time active duty in the Armed Forces; or you become eligible for Medicare; or the elected coverage period expires; or Standard Security Life Insurance Company of New York determines fraud or misrepresentation has been made in filing a claim for benefits; or a dependent ceases to be eligible; or you cease to be a member of the association or the group master policy terminates.**
