

Dear new member:

**Congratulations** on enrolling in Communicating for America's (CA) Enhancement Series, offering exclusive benefits to member of CA's Healthy Lifestyle Advocates.

In addition to offering you an association-endorsed short-term medical plan, CA provides additional consumer benefits and services you can use to stay healthy and reduce your medical expenses. These benefits include:

### Coaches and advocates

For information on providers in your area, the latest consumer health reports and assistance with benefits, call 1-866-609-6500 to speak with your personal advocate.

### TelaDoc

TelaDoc™ is a national network of board certified physicians providing cross coverage consultations 24 hours a day, 365 days a year. This service is free of charge to members. Note that you will need to register online before using this service. Dependents must be 10 years of age or older to use TelaDoc. Visit [communicatingforamerica.org](http://communicatingforamerica.org) to get started.

### Discount prescription drug card

All members receive a **free** discount prescription drug card. Call 1-800-432-3276 to receive your card and locate a pharmacy near you.

### Discounted services

#### Voicemail transcription

Voice mail transcribed into text and received as e-mails or text messages. Visit [www.cfavoicemail.com](http://www.cfavoicemail.com).

**Remote file sharing service** that allows you to easily share large computer files, photos and videos with clients or colleagues. <http://www.box.net/cfa>

#### Remote PC access

The ability to remotely access you office PC from home, or your home computer at work. <http://www.ibackup.com/cfa/>

#### Remote meeting

Live video meeting service that allows you to converse with clients over the Internet. <http://www.ibackup.com/cfa/>

#### Remote backup

Automatic backup of your personal PC over the Internet for safer file storage at remote location. <http://www.ibackup.com/cfa/>

We look forward to serving you.

Sincerely,

Wayne Nelson  
President
